

Construction Works Notice | SSD-9912 Special Notification | 21 December 2022

Temporary restrictions to street parking in Bancroft Avenue

The following temporary restrictions are approved by Ku-ring-gai Council for public safety during access and egress of construction vehicles to the site via Bancroft Avenue.

Now to mid-January 2023

- Three car parking spaces outside 32 and 34 Bancroft Avenue will be marked 'No Stopping'
- Two parking spaces adjacent to the temporary driveway, opposite 32 Bancroft Avenue, will be marked 'Works Zone'.

From mid-January onward

- Above parking restrictions continue
- 'Kiss & Ride Area' will be permitted to operate as a 'Works Zone' outside designated drop-off and pick-up times on School days. From mid-February, the 'Kiss & Ride Area' will relocate due to construction work, although times of operation will remain the same.

Street signage will be installed and updated to reflect each variation, specifying 'Work Zone' and 'No Parking' times of operation. Traffic control arrangements will be in place as required.
