

Roseville
COLLEGE

HSC Outcomes

2023

“Wherever your passion lies, there are endless possibilities that stretch far beyond the classroom, and far beyond what is being recognised here today. So I hope you all know that whatever your talent is, if you’ve been working hard this year, you should be immensely proud of yourself and the progress you have made.”

Josephine Carroll
College Captain 2023

From the Principal

Ms Deb Magill

Congratulations to our Roseville College Class of 2023 who received news of their HSC results today.

Our 2023 cohort have been marked by their support of each other and persistence in learning. Their results today are a credit to each student, reflective of their focus and a wonderful indicator of the world of learning, leadership and impact that awaits each one. They should be incredibly proud.

Our results for 2023 remain strong. As a proudly non-selective school, we continue to encourage our students to embrace challenge, knowing that this will set them up best for life. And they have.

Congratulations especially to All Rounders Josephine Carroll, Sarah Cornwell, Angelina Jones, Katie Peters and Amy Winslow. We also acknowledge Top Achievers Anna Glozik who achieved 3rd place in Hungarian Continuers (studied externally), Jessica Crawley who achieved 4th place in Studies of Religion I, Bianca Hug who achieved 5th place in Modern History and 5th place in Visual Arts, and Ruby Harding who achieved 9th place in Geography.

Of course, achieving a high ATAR is wonderful, but it is never the full story for us. In these results we celebrate the many individual triumphs, the immense dedication of many and the resilience in overcoming substantial hurdles for some. We congratulate each one.

I also extend my thanks and congratulations to the parents and families of our students. It takes a village. We are blessed to have been part

of your daughter’s learning over the last few years. As she, and you, move into a new phase of life and learning, may they be years of blessing.

I also honour the work of our wonderful Roseville College teachers. Each one is invested in more than great results (although they will be pleased today!); they are invested in each student being well known, well taught and enabled to do her best. To our teachers and staff, thank you.

While a day of celebration, today is not the defining moment in the lives of our girls. It is but one wonderful step forward marking the end of one time and the beginning of another that will be filled with learning and adventure and the opportunity for impact, service and compassion. Year 12 2023, the world awaits. Go well.

For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future. Jeremiah 29:11

From the Students

Josephine Carroll

College Captain

We did it. I want to say how proud I am of students in the Class of 2023. It has been a long and challenging year, and watching everyone grow and succeed through this has been incredible. Next year, I will choose between Acting/ Music Theatre, Biomedical Engineering, and Sport and Exercise Science. Quite the range, I know! I have received early entry into the Sydney Conservatorium for Music Theatre which is exciting. Thank you to my wonderful year group for making this year so great – I have loved my time at Roseville, I could not be more excited for what lies ahead.

Sarah Cornwell

HSC Dux

Class of 2023, you have all worked so hard to achieve these great results! I am so proud of you. Working closely with my teachers and collaborating with my peers was the key to my HSC success. This support enabled me to truly understand the concepts being taught – hard work also helped! Next year, I have been awarded a Cadetship at UBS and will study either a Bachelor of Commerce or Economics at the University of Sydney. To the Class of 2024, I hope you enjoy all that Year 12 offers you – and remember to work closely with your incredible teachers. If you do your best, you can be proud of what you achieve.

Lily Hartshorn

College Dux

Congratulations Class of 2023! I am so proud to be a part of such a hard-working year group – excellent results are a testament to your dedication and enthusiasm. Next year, I intend to study Medicine, ideally at UNSW or the University of Newcastle. I am excited to leverage the passion I developed at Roseville for Science, to make a tangible impact on individuals and society and enjoy a career filled with learning. Thank you, Class of 2023. It has been a privilege to learn and grow alongside such compassionate, enthusiastic, and talented people. I am so excited to follow your future successes!
