

Science Teacher

Roseville College is an established, respected independent day school for girls in Preparatory to Year 12, centrally located in Roseville on Sydney's North Shore since 1908. Ours is a learning community where girls and staff are truly known, and where every individual is valued. Our vision, to raise future-ready women who lead proficiently with strong character, is underpinned by the Christian faith.

The Roseville College staff comprises visionaries, innovators, pioneers and co-learners, who appreciate this as a meaningful, inspiring and progressive workplace where they are enriched, equipped and empowered for a fulfilling career and to make a positive impact on student generations.

Key information

- Permanent, full time opportunity
- Join a team of innovation and excellence in Science education

Broad objective

The Roseville College Science Department is a collegial team committed to innovation and excellence in teaching and learning. Our students are curious and engaged scientists, and this is demonstrated through the strong engagement in our Stage 5 elective Cambridge Physics and Chemistry courses, our broad offerings of Stage 6 courses, as well as numerous co-curricular STEAM opportunities.

The successful applicant will be an exceptional educator and communicator. They will have deep understanding of contemporary pedagogy within a vision to promote authentic, rigorous and personalised learning. They will have the ability to develop positive relationships, fostering a culture of collaboration and inquiry and be proactive in their support of the Christian mission and values of the College.
