

**“As we look at our results, I hope we feel pride in what we’ve achieved, confidence in what we’re capable of, and perspective. What we will carry with us are the friendships, the memories, the laughter in between classes, the moments that held this year group together.”**

**Emma Cummins**  
College Captain 2025

## From the Principal

**Mrs Susan Middlebrook**

Principal (Interim)

To our Roseville College Class of 2025, today we congratulate you – not only for these outstanding HSC results, but for who you have become along the way. While these outcomes reflect diligence, persistence and intellectual effort, our pride rests just as firmly in your character: young women who have learned to persevere, to support one another, and to approach challenge with courage and grace.

As a proudly non-selective school, we encourage our students to revel in learning and embrace challenge, knowing that growth is often shaped through passionate curiosity. These results reflect long hours of learning, a willingness to receive feedback, and a commitment to doing your best – individually and together. They speak to learning that has been both rigorous and relational.

There is much to celebrate.

This year we are **ranked 19th** in NSW in the Sydney Morning Herald’s HSC school ranking, up six places from 2024.

Three students achieved an incredible ‘**perfect score**’ of 99.95 and share the title of 2025 HSC Dux - Sophie Firek, Chloe Haeun Park and Stacy Zhang.

Three **First in Course** results – Stacy Zhang in Biology & Chemistry, and Sophie Firek in Legal Studies.

15 **All-round Achievers** – Lauren Chang, Katia Clement, Amy Cook, Emma Cummins, Guinevere Curtis, Sophie Firek, Rebecca Frantz, Cordelia Howard, Eva Mai, Brigitte Martin, Skye Mayatt, Lily McKechnie, Chloe Haeun Park, Annika Stone and Stacy Zhang.

Seven **Top Achievers** across nine courses – Stacy Zhang: 1st Chemistry & 1st Biology, Sophie Firek: 1st Legal Studies & 6th Modern History, Eva Mai: 2nd Music Extension & 4th Music 2, Chloe Haeun Park: 3rd Music 2 & 17th Biology, Beatrix de Mar: 8th Food Technology, Rebecca Frantz: 9th English Extension 1, and Katia Clement: 9th History Extension.

But importantly, at Roseville College, a high ATAR is not, by any means, the full measure of success. Today, we equally celebrate many quieter triumphs – moments of resilience, perseverance and hard-won progress in the face of challenge. It is these achievements that go so far in laying the foundation for character.

We also acknowledge, with deep gratitude, the work of our teachers and staff. At Roseville College, strong learning is built on strong relationships. Our teachers are invested not only in academic excellence, but in each student as a whole person – known, supported and encouraged to flourish.

To the parents and families of the Class of 2025, we extend our sincere thanks. Thank you for the partnership, trust and support you have offered over the years. We have been privileged to walk alongside your daughter in learning and in care throughout her educational journey.

While today is a moment of celebration, it is not a measure of a life. Rather, it marks the close of one season and the beginning of many more – rich with learning, service, purpose and possibility. As you step forward into what lies ahead, may you do so with confidence, curiosity and hope, grounded in who you are and assured that you do not walk alone.

*“May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope.” Romans 15:13*

## HSC Showcases

### ARTEXPRESS

for exemplary projects in Visual Arts

#### Nominations

**Caitlin Harbot** – *Chrysalis*

**Caitlin Lewis** – *Bloom*

**Joelle Li** – *Folded Song of Time – Lao Lao (Grandma)*

**Elena Marcarian** – *In Reach Selection*

**Caitlin Harbot** – *Chrysalis*

### ENCORE

for outstanding Music major works

#### Nominations

**Ursula Cahalan- Griffith** – *Music 1 Composition*

**Sophie Ryan** – *Music 1 Composition*

**Eva Mai** – *Music 2 and Music Extension Performance*

**Olivia Noga-Piekarska** – *Music 2 Composition*

**Chloe Park** – *Music 2 Composition, Music 2 and Music Extension Performance*

**Consuela Zhang** – *Music 2 and Music Extension Performance*

### SHAPE

for exemplary achievement in Design and Technology, Industrial Technology and Textiles and Design

#### Nominations

**Grace Bousimon** – *Convertible, Cost-Effective Ballroom and Latin Dance Competition Dress*

**Ursula Cahalan Griffith** – *Accessible Wheelchair Tennis Facility*

**Samantha Hutton** – *Stylish Adaptive Clothing for Teens with External Fixators*

**Elena Marcarian** – *MIASIN: An App to Preserve Armenian Culture*

**Lily McKechnie** – *Forma – Customisable Clothing Solution*

**Clara Naughton** – *Food Waste-based Biodegradable material*

**Alexandra Sarmiento** – *Sun Safety Garment for Agricultural Workers*

**Bella Upson** – *Sustainable Costume Design for Theatre Productions*

### OnSTAGE

for exemplary projects in Drama

#### Nomination for Individual Performance

**Cordelia Howard** – *Criminal*

**Nomination for Individual Project (Costume Design)**

**Lauren Hanmer** – *The Visit*

### YOUNG WRITERS SHOWCASE

for exemplary major works in English Extension 2

#### Nominations

**Amy Cook** – *Rhetorics of Indeterminacy and the Violence of Meaning*

**Brigitte Martin** – *Solastalgia for The Motherland*

**Scarlett Mead** – *He Who is Without Sin*

### CALL BACK

for exemplary projects in Dance\*

#### Nominated for Major Study Performance

**Amelia Gee** – *Seventeen*

**Skye Mayatt** – *Fragments of Gold*

#### Nominated for Core Performance

**Amelia Gee** – *I see Fire*

**Skye Mayatt** – *Destiny*

#### Nominated for Core Composition

**Amelia Gee** – *Speak to Me*

**Skye Mayatt** – *Beyond Reflection*

**Lucinda Hone** – *The Still Point*

# From the Students

## Emma Cummins

### College Captain

After 13 years of schooling, we've finally reached the end. And we did it together. I'm so proud to have been part of such a hardworking, resilient and genuinely kind year group. From our drama, tech, art and music nominations to the way we led assemblies, events and HMD, we consistently showed up for one another and grew as leaders.

As we reflect on our results, I hope we feel pride in what we've achieved, confidence in what we're capable of, and perspective – because we are never defined by a mark. What stays with us are the friendships, the memories and the laughter between classes that held our year together.

Next year, I hope to study psychology. I can't wait to see where everyone's path leads. Congratulations, Year 12 – we did it.

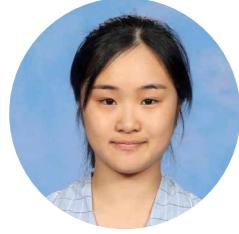

## Sophie Firek

### HSC Dux

I approached the HSC with organisation, determination and a genuine love for my subjects. Studying humanities, I never expected a perfect ATAR, but enjoying what I was learning made the workload meaningful. Careful planning, daily revision and early preparation helped me feel confident.

Beyond the classroom, I loved being involved in Mock Trial, debating and social sport. School is about more than results. I'm now considering Economics and International Relations, and I encourage younger students to use their time wisely and choose subjects they truly enjoy.

## Chloe Haeun Park

### HSC Dux

I never imagined achieving a perfect ATAR. My aim was simply to do my best. Instead of a strict timetable, I focused on consistency and self-awareness, changing my study environment when needed.

Music was central to my Roseville experience and helped me stay balanced during the HSC. Being involved beyond academics strengthened my friendships and supported my learning. I'm now applying for Medicine or Veterinary Science. I encourage younger students to identify weaknesses early and improve steadily.

## Stacy Zhang

### HSC and College Dux

Congratulations Class of 2025! I'm incredibly proud of everyone's optimism and dedication.

I don't think there were any particular secrets to success, but I feel what was important was consistency, strong time management and understanding concepts rather than memorising content. I also found taking regular breaks to be necessary.

I'm very grateful for the supportive Roseville community and the kindness of my year group. My advice is to choose subjects you're passionate about and ask for help when needed. As I explore health-related STEM pathways, I hope to pursue a career that positively impacts others.
